Bear's St. Patrick's Day Game

Purpose: To review addition and subtraction facts

Players: 2 - 4 One person must be Bear to check answers.

Markers: coins, paper clips, buttons

Directions

Players use 1 die to move around the coins. If you land on a coin with a lucky shamrock, choose a lucky shamrock card. You must answer both problems correctly or you will have to skip a turn. Bear will check your answers. If you land on a coin with a leprechaun, take another turn.

Winner: The first player to reach FINISH, is the winner. You must land on the FINISH with the exact number of coins you need. For example, if you need a 4 to reach FINISH, you must roll a 4.

Name _____

Write the number of your task card and both math facts.

EX: 38.

$$0 + 1 = 1$$

$$2 - 1 = 1$$
